

The Infant Toddler Children's Center (ITC) is looking for a dedicated and certified Early Childhood Educator to join our team. The ideal candidate will be certified as an Infant/Toddler and Preschool Teacher and serve as a resource to all of ITC's 8 early childhood classrooms. ITC is a nature based program. Our teachers and children enjoy spending much of the school day outdoors exploring our natural environment and walking to the nearby woods. ITC is an independent, non-profit childcare, where we honor children and childhood in partnership with families and our community. ITC operates year around, Monday through Friday 7:45am-5:00pm. Teachers schedules are flexible and includes one afternoon off per week as well as paid holidays and generous vacation time.

Our teacher compensation package includes a highly competitive salary, childcare tuition discount, sick time, healthcare benefits, a 403B matched retirement plan and paid professional development opportunities.

To learn more about what ITC offers children and teachers please email our Business Manager Ulrika Shepardson at ushepardson@itcacton.org
